EXECUTIVE DIRECTOR 'S REPORT

Mr. Ken Spirito, Executive Director, gave the following report:

- Legislative Reception in Richmond on February 4, 2015. Mr. Kitchens, Ms. Cheaney, Mr. Bourey, Ms. Finch and Mr. Kelly will be attending. Mr. Spirito and Ms. Wharton will be attending an airline conference.
- House Bill 2027 pertaining to Firearms in the terminal building states that you can have a gun in the building but no ammunition. We will be pursuing this bill further to understand the language better and to voice our opposition.
- House Bill 1889 pertaining to a park-n-go operator in Richmond. Delegate Chris Jones filed this bill in favor of park-n-go to limit or regulate how airports charge for parking. States generally do not tell airports how to charge for parking unless they are state run airports. We have submitted letters to our legislative representatives to voice our opposition of this bill.
- Blue Sky Restaurant closed pre-security based on the current air service cycle and a reduction of passengers. Mr. Spirito and Mr. McDermott felt it was better to focus on post-security restaurant operations at this time. This will allow for more products to be offered post-security and better service for passengers waiting in the gate area.
- Hudson News reported that their business is down significantly. Mr.

Spirito will be working with them on this situation. Mr. Spirito stated they will wait for 30 days to see how the restaurant closing will affect their business and re-evaluate from there.

APPROVE 5-YEAR LEASE EXTENSIONS

Mr. Spirito reported that Hangar 4a-Ligon and Hangar 15a-Cable Associates (Tarpley) are both up for renewal. Management has been granting an additional 5-year renewal for all GA leases. The extra time on the lease will allow us to properly plan post-master plan approval and the allowance for our 5-year EA for future projects.

The budget impact is a small increase of approximately \$1,200/year for both leases.

Mr. Spirito recommends both Hangar 4A and Hangar 15A be approved for renewal with legal counsel's review.

RESOLVED, that the Peninsula Airport Commission approve the 5 Year Lease Extensions for Hangar 4a-Ligon and Hangar 15a- Cable Associates (Tarpley).

Commissioner George Wallace made the motion to approve the 5 Year Lease Extensions and Commissioner Aubrey Fitzgerald seconded the motion.

Voting yes were:

Jim Bourey, Aubrey Fitzgerald and George Wallace

NEXT MEETING

RE: January 2015 Financial Highlights

The Airport reported a net gain of \$86K for the month against a budgeted loss of \$94K and last January's net loss of \$136K. Revenues totaled \$570K, \$6K or 1% below budget and \$26K or 4.3% below last January. Our expenditures this month totaled \$483K, \$186K or 27.8% below budget and \$248K, or 33.9% below last January. The highlights for this month's results are as follows:

❖ Actual vs. Budgeted Revenues

- This month the new rates and charges went into effect. There were no significant variances to budget.

❖ Actual vs. Prior Year Revenue

- Other Rents revenue decreased \$14K or 26.8% compared to last January due to the reduction of \$11K in revenue from the Firehouse. The Commission has now recognized all revenue for the first five years of the lease term. Annual rent for years 6-10 is one dollar. The last of the rent credit to Newport News Aviation Academy for the asbestos removal in the old terminal building was given this month. Next month the full monthly rent amount will be recognized.

❖ Actual vs. Budgeted Expenditures

- Total expenditures were favorable \$186K or 27.8%. The favorable expense variance is primarily due to advertising & marketing totaling \$108K. Reimbursement from the DOT was received this month and overall expenses were

well below budget. Other favorable variances included labor & benefits \$37K, maintenance \$22K, supplies \$20K, and fuel \$6K.

❖ **Actual vs. Prior Year Expenditures**

- Overall expenditures were \$248K or 33.9% below last January. Administrative expenses, particularly advertising & marketing expenses were significantly less than last January. Spending was reduced by \$188K. Last year's spending included promoting the Apple Vacation Cancun destinations and other marketing, and this year we received the DOT reimbursement.

There is \$3.4M in unrestricted cash and \$545K in outstanding FAA reimbursements. The pending reimbursements include expenditures for Taxiway A rehabilitation totaling \$381K and the Consolidated Security Checkpoint Design totaling \$6K. These project expenditures will be reimbursed at a later date. In addition, the last request for reimbursement for the Small Community Air Service Grant totaling \$157K is also outstanding at month end.
